Spring 2005

Dear Parents,

We are pleased to announce the opening of a fresh new idea in Hebrew schools.

TwinHills – ToTal Hebrew School, was created to educate and excite your children in Jewish studies. *ToTal Hebrew School* is not just about sitting in a classroom, it is an experience for your children and the entire family. We invite you to share in these experiences whenever possible. Your shared commitment to your children's Jewish education makes the learning more meaningful and encourages growth beyond the classroom, where the knowledge comes to life.

Some highlights of our program are:

- Holiday Events – innovative family oriented programming for Passover, Chanukah, Purim etc.
- Community Giving – *chesed* programs such as food drives, visiting children in the hospital, visiting seniors, neighbourhood clean ups etc.
- City Twinning – with another *ToTal* program in North America.
- Hebrew Reading – to enable our students to participate in synagogue services and family celebrations.
- *Kwizwiz* – access to the *ToTal* online game that helps to develop your child's Jewish I.Q.

If you have any questions, please do not hesitate to call us at the school office. Thank you for your interest in *TwinHills – ToTal Hebrew School*. We look forward to seeing you in September!
